NLC's "In-House" Democratic Donors \$50-\$99
NEW *Last 12 month donors only*****

When it comes to donating money to the political and charitable causes they support, these liberal-minded philanthropists are anything but conservative.

Our NLC "In-House" Democratic donors have given generously within the twelve months to Democratic causes that align with their open-minded and forward-thinking approach.

They strongly support all the values and principles associated with the Democratic Party, including universal health care, environmental protection, clean energy, social welfare programs and stricter gun laws.

They're also vehemently opposed to the GOP's extreme politics and orthodoxy, standing up pro-actively against right-wing issues such as tax cuts, immigration and abortion that will have far-reaching effects on the rights of Americans.
